Section 15: PLAYOFFS

A. Playoff formats vary depending on the schedule type AND the number of teams participating in each League and can be found on the official League schedule. The League reserves the right to change any element of the originally scheduled playoff format if necessary.

B. In cases where two (2) or more teams are tied at the end of the regular season, the following criteria will be used to break the tie(s) (in order):

- Least Number of Forfeits
- Head-to-Head Record
- Point Differential Between Head-to-Head Games
- Coin Flip

C. To be eligible for playoff participation, all players must have played in at least one of the first five (5) league games and have signed/completed the Official Team Roster and Waiver Release Form. There will be no exceptions given to players who did not participate in the first five (5) games.

D. Managers must turn in a game line up (yellow score card) for all games (including forfeits), for players to receive credit for games played.
